

Stalwart Safety

13 Gauge Electrostatic Dissipative Glove

Application

Excellent for Clean room, Electronics, Circuit Boards, Aerospace/Automotive Manufacturing, and any other material handling applications that require electrostatic dissipation protection.

Description

- 13 Gauge Filament Yarn Knit
- Low lint yarn blend
- Excellent comfort & dexterity
- Electrostatic dissipative
- Touchscreen compatible

Product Code: 13ESD

Technical Data

- ANSI Cut Level – N/A
- ASTM F2992-15 – N/A
- EN388 Abrasion – 2
- EN388 Cut – 1
- EN388 Tear – 2
- EN388 Puncture – N/A
- ASTM D257 - Resistivity $<10^4$ Ohm

Construction

- Shell – Polyester Copper
- Coating – N/A
- Wrist – Integrated Knit Wrist
- Thumb – Ambidextrous Knit

Care Guidelines

Launder in warm water (40°C/104°F) using mild detergent, tumble dry at Low temperature (40°C/104°F).

Packaging

- 12 pair polybag
- 144 pair carton

Sizes

Size	6	7	8	9	10	11
Fit	X-Small	Small	Medium	Large	X-Large	2XL
