

Stalwart Safety

Steam Resistant Hot Pad & Trivet

Application

Steam Table, Cafeteria, Kitchen and Food Handling and any other application requiring moderate heat resistance.

Description

- Steam resistant outer keeps hands from being scalded when handling hot/steam producing material.
- Heat resistant lining insulates hands from hot steam table or chafing dishes or other material.
- Silicone dots on one side allows for better grip.
- Pocket on back allows for hand insertion for more stable hold, hang loop makes for easy storage.

Product Code: OV93P-AD

Technical Data

- ANSI 105:2016
- Conductive Heat Resistance:
- Level 2

Construction

- Polyurethane, Silicone, Cotton

Care Guidelines

Launder in warm water (40°C/104°F) using mild detergent, cold water rinse, tumble dry at moderate temperature (40°C/104°F), or hang dry, wash as synthetic, maximum 10 wash cycles.

Packaging

- 100 EA/Carton

Sizes

Size	8" x 8"
