

Stalwart Safety

ANSI Cut Level A7 HPPE-Stainless Steel Sandy Nitrile Coated Glove

Application

Metal and Steel Handling, Metal Stamping, Glass Handling, Recycling, Automotive Manufacturing, and many other material handling applications requiring high levels of cut and abrasion protection.

Description

- HPPE-Stainless Steel composite yarn provides high cut and abrasion levels.
- Seamless knit construction fully protects hands while maintaining comfort and dexterity.
- Sandy Nitrile coating provides high levels of puncture resistance and good grip.
- Open knit back of hand allows the hand to breathe increasing comfort.

Product Code: 700SN

Technical Data

- ANSI CUT LEVEL A7
- ASTM F2992-15 – 4217g
- EN388 Abrasion – 4
- EN388 Cut – 5
- EN388 Tear – 4
- EN388 Puncture – 3

Construction

- Shell – HPPE-Stainless Steel Composite Yarn, Nylon-PolyCotton Plait Yarn, 10 Gauge Knit
- Wrist – Integrated Knit Wrist
- Thumb – Ambidextrous Knit
- Coating – Latex Wrinkle Coat

Care Guidelines

Laundry in warm water (40°C/104°F) using mild detergent, tumble dry at moderate temperature (60°C/140°F).

Packaging

- 12 PR/Polybag
- 72 PR/Carton
